

Dear Friend:

We have all been affected by the current recession, and most of us know a friend or family member who is looking for work. In order to help put people in the 6th district back to work, I will hold a job fair on April 28th, 2012, at Cumberland University's Dallas Floyd Recreation Center in Lebanon from 9:00am-12:00pm. Please join me and other employers at this event, which will allow you to showcase your business to potential employees. **There is no cost to participate.**

This event will connect job seekers with businesses that are hiring or plan to hire in the near future. There will be a diverse level of education and experience amongst attendees; no matter your need, there will likely be many qualified candidates for you to interact with.

Tables will be provided at no cost. You will have the opportunity to set up a booth to interact with potential job applicants and speak to them regarding your business and opportunities for employment. Please complete the attached registration form and return it to my office by 5 p.m. on April 9th, 2012, so that we can prepare adequate space for all attendees.
